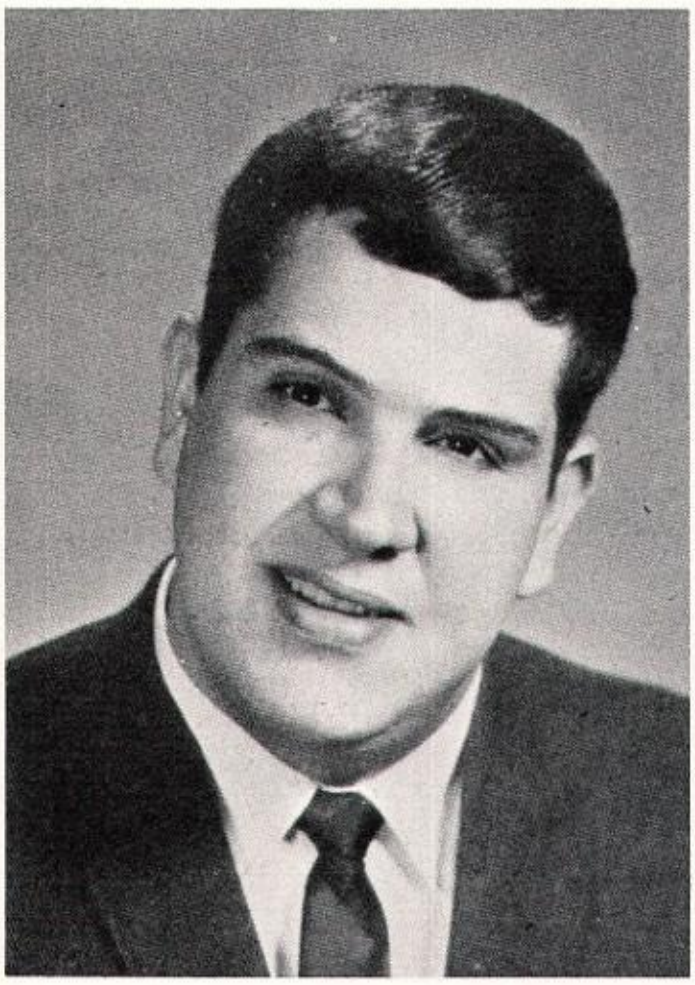
Dedication . . .



Mr. Iverson L. Warinner

Mr. Gerald Noel

During our high school years that we are now finishing, there have been many times when we have needed help and guidance. It was during these times that we found we could always depend on Mr. Warinner and Mr. Noel. Whenever we have needed advice these men could always be counted on to give us wise counsel and the answers to our questions. They have taught us good citizenship, respect, and honor in addition to helping us gain unity as a class.

To you, Mr. Iverson Warinner and Mr. Gerald Noel, we, the Class of 1971, dedicate the Aquarius, in return for the priceless gifts of knowledge and inspiration you have bestowed upon us. We deeply express our gratitude for the guidance and support you both have so unselfishly given us as teachers, sponsors and friends.

Ever since man first existed, he has looked to the stars for guidance. Stars led him across barren deserts and raging seas. Stars led him to methods of measuring time and surveying land. Stars led him to forecast his own future. Stars led him to the powerful principles of atomic energy. One star led him to the Prince of Peace.

So, we at Taylorsville High School have been led by our stars. As teachers, as students, as athletes, as leaders, there were some of us who were bright guiding North Stars. There were others who were smaller stars, further away. But we remember that every star is shining and important somewhere, to someone.

We also remember that the light of a constellation reaches the earth years after it is radiated by the stars. Sometimes, a star may be lighting the earth even after it has disintegrated. With this thought in mind, we project ourselves into the future.

As we enter the Age of Aquarius, may we act as stars that can radiate peace and love to all mankind. May it be said that the Class of 1971 shone as responsible members of society.

Not knowing, still wondering, hoping, we leave you this record, asking you to turn your thoughts to 1971 and the dawning of the . . .

Our Sponsors

Mr. Noel prepares for his next sociological presentation.

This is really driving sponsors up the wall.

We have really run our sponsors ragged this year. We have laughed at them, schemed against them, fussed at them, fought them, protested them, fed them, agitated them, frustrated them, irritated them, but above all we have loved and respected them. Thanks for making it all worth while.

Student teacher, Mrs. Janie McClain, helped Mr. Warinner and Mr. Noel sponsor the senior class first semester.

The only way to really frustrate poor Mr. Warinner is to give him a terrible play practice.

Class History

The dawning of our "Age of Aquarius" began in the fall of 1967. That year, we entered Taylorsville High School as freshmen - ready to conquer the world. Our esteemed sponsors were Mrs. Lilly, Mr. Downs, Mr. Fister and Mr. Carr. We were honored that year to have as Mr. and Miss Freshman, Randy Dixon and April Jewell. The Freshman King and Queen of the Halloween Carnival were Nancy Bryant and David Thompson. As we were just getting organized as a class, we did not elect class officers. Our freshman year also heralded the arrival of a "large" part of our high school years - Mr. Iverson Warinner was now a part of the THS Faculty

In the fall of 1968, we returned as sophomores to shed our glory in the musty halls of THS. Our sponsors this year were Mr. Gilbert, Mr. Lawson and Mr. Noel. To represent our class at its best, we chose Arlene Ware and Tommy Cook as Mr. and Miss Sophomore. This year proved to be a year of winners: Sue Clark and David Thompson, our representatives to the Halloween Carnival, were crowned King and Queen of the entire Halloween Festival; Mary Ann Carrithers continued our winning streak when she won the title of Homecoming Queen 1969; Miss Spencer County, 1969, Miss Sherry Mudd, was also a member of our class. Brenda Sparrow represented our class as an alternate on the WAVE-TV "High-Q" Program. To guide our class this year, we elected the able Hank Lawson as President, Tony Shirley, Vice President, Robin Bennett, Secretary, Wayne Whitaker, Treasurer, and Randy Dixon, Reporter. With the news that Mr. Noel would continue to sponsor us throughout the remainder of our high school years, we waited our senior and junior years with expectation.

We blasted to an exciting and swinging junior year with the swingest sponsors, Mr. Noel and Mr. Whitlock. Representing our class as Mr. and Miss Junior were Terry Brookshire and Vicki Tapp. Our Halloween Carnival nominees were Tony Shirley and Mary Jane Greenwell. Nancy Bryant continued our winning streak by being selected Homecoming Queen Runner-Up. Brenda Sparrow as a team member and Joey Lilly as an alternate, represented our school and class on the WAVE-TV "High-Q" Program. Gary Carrithers, Wanda Edwards, Joey Lilly and Brenda Sparrow were chosen from our class to be represented in Merit's Who's Who in American High Schools. Led by such outstanding officers as Joey Lilly, President; Gary Carrithers, Vice President; Margie McDavitt, Secretary; Judy Marion, Treasurer; and Peggy Golyer, Reporter, we were preparing for the highlight of our year, the presentation of the "Junior-Senior Prom." We chose AQUARIUS as our theme. The work, the plans, the squabbles, all paid off on that memorable night, May 1, 1970, when we presented the greatest prom ever in the history of THS . . . this has proven to be one of the major highlights of our high school career. One of the greatest catastrophes that could ever befall a class happened to us at the close of our junior year. Tommy Cook, one of our friends and fellow classmates, drowned while swimming in Salt River. It was a crushing blow to our class, because we feel a definite closeness and a unaminity in spirit. We attended his funeral as a class, and we still, today, miss his presence.

Anticipating the greatest year of our life, we rocketed into our Senior Year. Our sponsors this year were Mr. Noel, and Mr. Warinner (35 pounds lighter). One of the greatest honors of being a senior, the title of Mr. and Miss Senior were bestowed on Tony Shirley and Robin Bennett. The Halloween Carnival was brightly lit by the smiles of our Senior nominees, Barbara Noel and Roger Hardin. Again showing our class superiority, Nancy Bryant was crowned queen of Homecoming. All of our seniors are great, but Terry Brookshire, Nancy Bryant, Shirley Thomas, Tony Shirley, Robin Bennett and Margie McDavitt were chosen to appear in Merit's Who's Who in American High Schools. To handle the truly important business of the senior class, we chose Terry Brookshire as President. Hank Lawson was elected as vice president, Robin Bennett, secretary and treasurer, and Tony Shirley as reporter. Gary Carrithers and Robin Bennett as editors of our yearbook, AQUARIUS, worked to produce the largest, most colorful, and most unique annual in THS history. The speech and drama class produced as their competition play, THE OCTOGENERIAN, to be presented in competition at the Kentucky High School Speech League competition at the University of Louisville. On April 30 and May 1, the seniors will present, THE MAN WHO CAME TO DINNER, the award winning Broadway success by Kaufman and Hart. Graduation will conclude our long journey through the "Age of Aquarius." 10-9-8-7-6-5-4-3-2-1 - BLAST OFF!

ADMINISTRATION

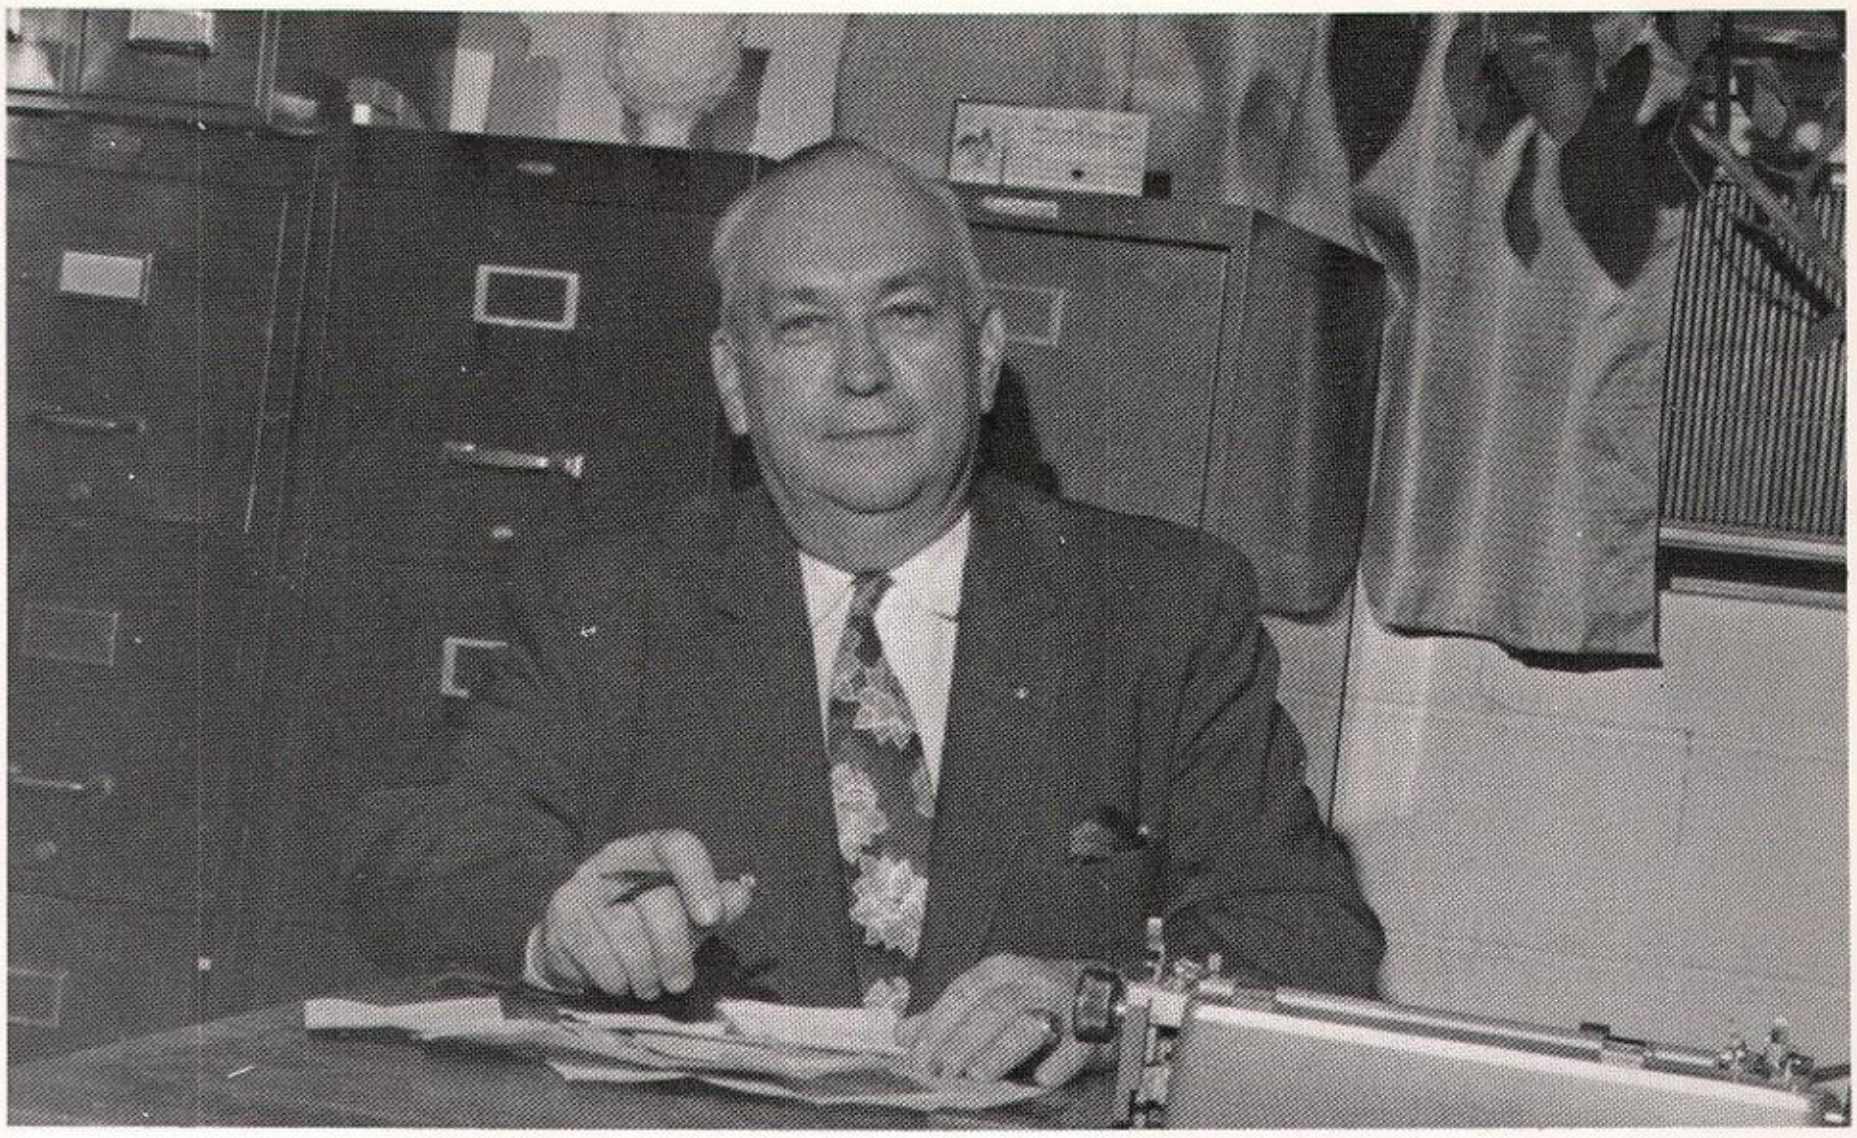
Spencer County Board Of Education

STANDING: Mr. Carroll D. Henry, Mr. Winford Sweazy, Mr. J. T. Johnson. SEATED: Mrs. Lillian Bryant, Mr. John Carrithers, Chairman of the Board; Mr. Barkley Walker, Superintendent.

Responsible for the administration of Taylorsville schools is the Spencer County Board of Education. They keep the system in accord with the requirements of the community, Kentucky law, and the State Board of Education.

We at THS hardly recognize the importance of Board functions as they do their work quietly, "behind the scenes." One very large job this group does is study the curriculum, to make certain that our courses and course offerings are kept up-to-date. Another duty is having repairs made, rooms painted, and equipment regularly checked. Still a third responsibility is the preparation of the complex budget for the financial administration of the school system.

A member of the Board of Education gets little recognition for many hours dedicatingly spent. We at THS want to say thank you for the major role you have played in our education and our future.



Superintendent Of Spencer County Schools

Mr. Barkley Walker

Mr. Walker confers with teachers on new educational philosophies.

Public education in Taylorsville and Spencer County has been given many years of leadership by a man of courage and conviction, foresight, determination and energy. Courage to accept with enthusiasm and confidence progressive innovations in education; conviction to stand firm in his beliefs; foresight in making plans for the best in education; and determination, as well as untiring energy, in fulfilling those plans. The Class of 1971 is indebted to one whose educational philosophy places emphasis on a solid foundation in academics; good citizenship; a love of God and country; and a desire to perpetuate a heritage of the freedom, hard work, self-discipline and concern for the worth of each individual which have made our land great.

Among his many duties are keeping tabs on school attendance, the "thankless" job of helping teachers with their school registers, and providing help and assistance to the many people who daily frequent the Superintendent's office.

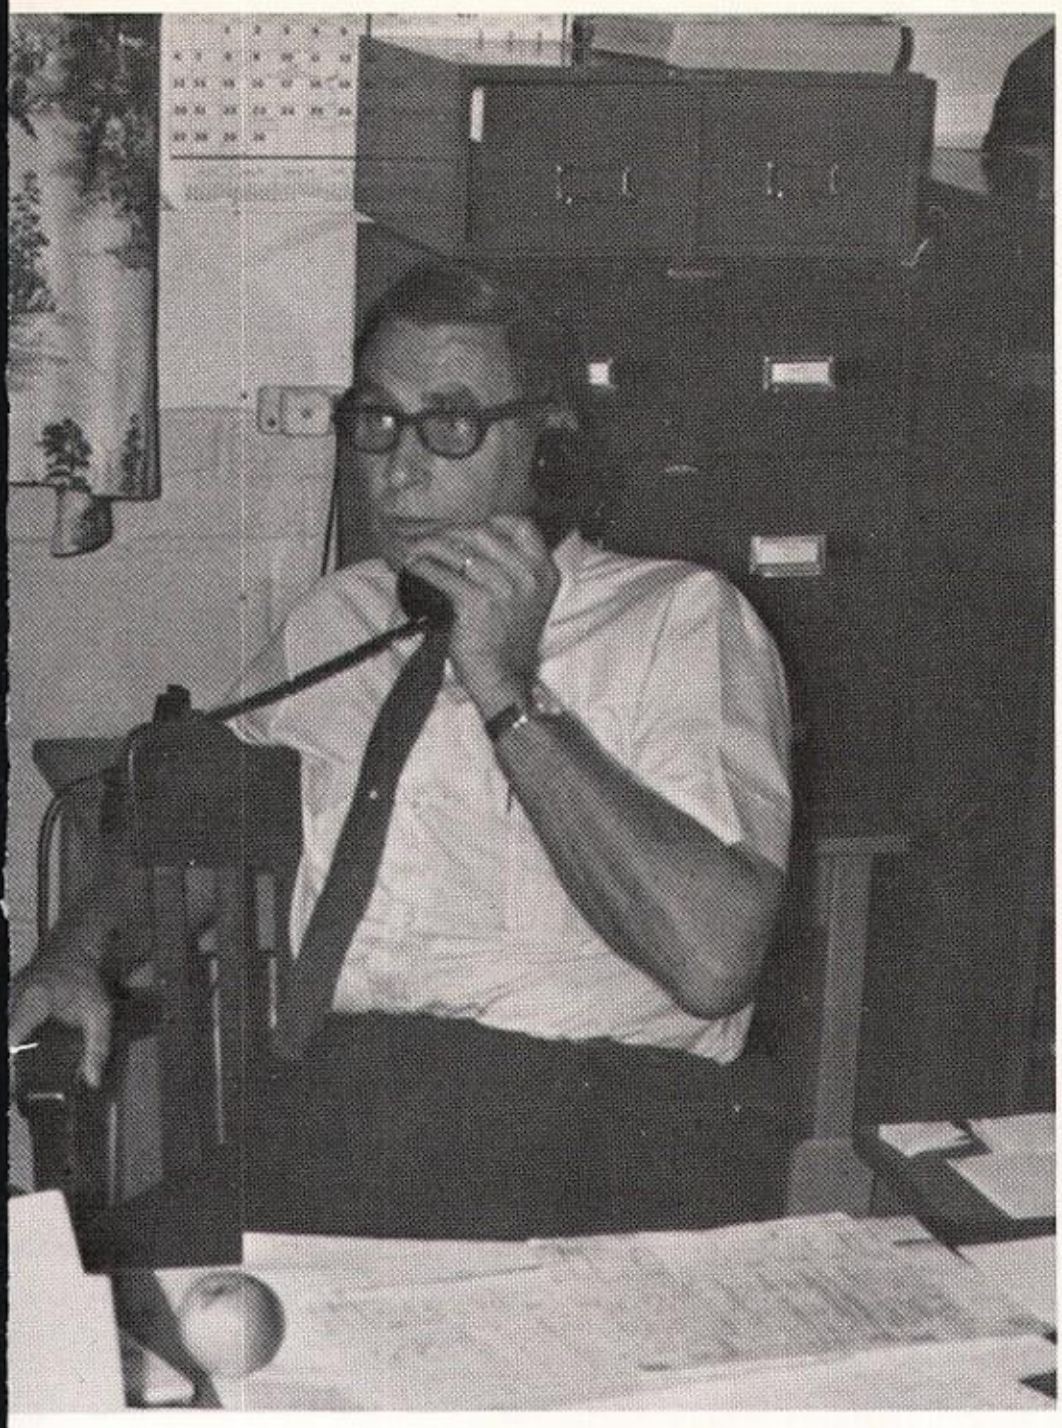
Director Of Pupil Personnel

MR. EARL BEGLEY

Mrs. Baird can best be described as a "friend to all she meets." She assists Mr. Walker in his many administrative duties; she is secretary to The Spencer County Lunch Program, and a friendly and courteous receptionist to the many visitors of the Spencer County School System.

Secretary To The Superintendent And Spencer County Board Of Education

MRS. RUTH BAIRD



Principal Of Taylorsville Schools Mr. Lloyd Mullins

PRINCIPAL'S MESSAGE

"Ah, but a man's reach should exceed his grasp,
Or what's a heaven for?"

When Robert Browning penned these stirring lines, he posed a challenge which should thrill the heart of every person, young or old, who lives in the world we know today. It is a world which demands the best of us, for the "get-by" philosophy destines those who live by it to mediocrity or failure.

Why, then, should our ambitions and aspirations be set high, perhaps even above or beyond what we are likely to realize completely? Because only through lofty aspirations may we hope to achieve the highest attainments which lie within us.

And so I would say to you - have vision, aspirations and ideals which callenge the best that is within you! Only through these may you realize the rich, full life that is your birthright.

Mr. Mullins deals with the many student questions and problems that arise daily.

The Taylorsville Bears

Hustle and determination are the most accurate words to describe the Taylorsville Bears basketball club this season. With only one returning starter from last season's team, plus the addition of a new varsity coach, the Bears have managed to put together a team that is exciting to watch and thrilling to support. Although they have not posted a winning season, the Bears are in a process of building skill, experience, and sportsmanship for next season . . . a season that will be composed of 11 returnees from this year's squad. Regardless of the season record, we at THS have felt happiness and sadness with you, we have felt victory and defeat with you, but most of all we have supported you, because we are proud of you and because you all are our very own . . . The Taylorsville Bears.

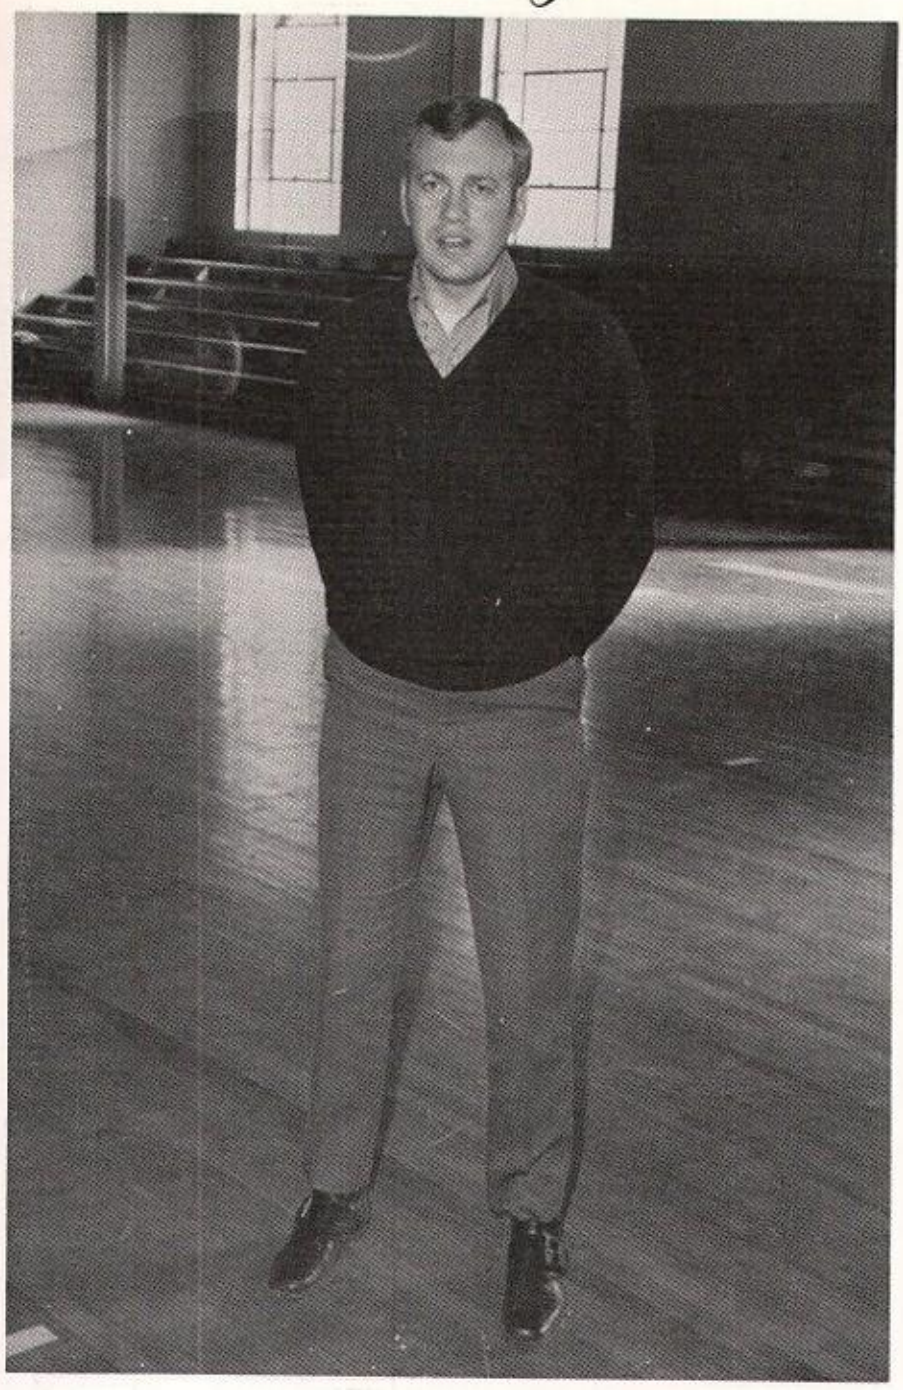
Varsity Coaches



Ray Foster

The 1970-71 Taylorsville Bears is headed by our new varsity coach, Ray Foster. Coming to THS from Mt. Washington, where he was also head basketball coach, he has brought with him the talent and ability to "get the best" from our basketball players. The student body and faculty of THS recognize Coach Foster, not only for his athletic skill and teaching ability, but also for the character and integrity he has added to our school. We are proud to welcome Coach Foster to the Taylorsville community and the friendship of Taylorsville High School.

Assisting Coach Foster with his duties as basketball coach is senior, Dick Greenwell. Because of age requirments, he couldn't play varsity sports, but he has devoted many unselfish hours as junior-varisty coach. Dick has an unchallenged record as a Varsity player at THS, being named twice to the All-District Team, once to the All-Regional Team, and being named to the "Courier-Journal" All-State Honorable Mention Team. All this has given him invaluable experience as he has worked to strengthen the athletic program at Taylorsville High.
